According to traditional Chinese medicine, some of it constitutes a substantial therapeutic effect.

Slimming Oolong tea

For five years, Chinese scholars studied the mechanism of obesity and proved that tea can help you lose weight. Oolong tea is very tasty.

Is made of semi-fermented tea leaves that are neither black or green teas include, but not be classified Effective degreaser. It contains saponin prevents the deposition of fat in the pancreas. Thus, the ingestion of dietary fat without a part of the shed, that the body would utilize them. Add to this the added caffeine, which speeds up the fat burning.

The Chinese traditionally have long been aware of the relationship between tea and weight loss, but researchers mainly oolong tea is recommended mainly in south-east China are grown and consumed.

The long-term consumption of Oolong not only speeds up the fat burning, but also inhibits the absorption of calorie-rich foods. Clinical data also show that the centuries-old experience of consumer products Oolong tea is the ideal consumer products in China. Oolong is not only speeds up the fat burning process, but to also prevent the absorption of calorie-rich food materials as well.

Oolong The Far East is the most popular product in obesity and high blood lipid levels among those with.

Bamboo shoots: purify the body, and stimulates digestion.

Walnut: Helps the lungs and kidneys and regulates digestion.

Peanuts: It helps the spleen, stomach operation.

Ginseng:

Hence the common name: man root, life root, root volume, ginseng Ginseng is native to China are 60-80 cm tall, herbaceous, perennial plant. Bulb-shaped root is often human figure reminds us of the meaning of the word in Chinese Ginseng: root people. The plant is a smooth green stem, sometimes reddish, leaves digitate complex. Small greenish-white flowers, inflorescence umbellate form.

The ginseng ripe, bright red berries are large spheres are arranged.

The roots of plants, which is 4-6 years old in September and October picking up. The dried root white, parboiled red. Breeding territories (China, Korea, Japan), a variety of quality and price ginseng, variants, but most of them are rich in active ingredients. **Trivia:** Food or medicine? Asia is clearly appreciated and roborating times, as well as therapeutic agents, held Ginseng is said to bring back the youth that cure all, cure-all. The dried and powdered roots is used in Chinese medicine for thousands of years.

Did you know?

The ancient Chinese, the plant "man root", ie sen yen was called, which then "ginseng" changed. The name is quite apt, as it often reminds some ginseng in human form.

Ginger: stimulates blood circulation, helps colds flu. It stimulates the stomach, bowel function, purify the body and prevent foot odor.

Lotus: The heart, kidney and spleen function to strengthen. Cancer of the throat area reduces the risk of disease.

Wood Ear Mushrooms: Great for strengthening the brain and liver, purifies the blood.

Shiitake mushroom: Reduces the spread of cancer, many B-vitamins. Comprehensively strengthen the body's resistance.

Eggplant: antipyretic properties, stimulates the circulation, protects against diabetes and high blood pressure.

Sesame seeds: Strengthens the hair growth (graying against high) and strengthens the bones. Who tends to treat constipation save him.

Celery: Urine can be good and even headaches.

Tomatoes: many people tend to dry the skin.

Pumpkin Wax (ie winter melon): a diuretic and detoxifying. Anyone who wants to lose weight in a regular match.

Dear gluten, lactose-sensitive people.

Corn sauce dishes, potato starch thickeners, so gluten sensitive people can also.

Using the gluten-free soy sauce dishes marked with an asterisk, a little higher price on request (+350Ft) fresh gluten-free we can make for you.

Dairy products in the kitchen cooking, preparing a meal is not used.

Preparing meals without neglect sauce flavor enhancer that is sodium glutamate, salt, Chinese or otherwise used, so if you are sensitive to this one, please indicate when ordering, and we will be happy to please skip this subject!

Sodium glutamate found in the Hungarian food industry as well, but since they do not realize different composition.

The flavor mild health effects in susceptible patients being poor, temples air pressure, pain, stomach bloating, and headaches.

Please ask if something is allergic to our dispatcher, and he will help you select, order a meal.

Order their meal after they please, write an e-mail stating that food tasted good and what is not, whether they were satisfied with the delivery.
